# APRIL 2017

## Vol. 22 Issue #4

# Hoofbeats . . . . .

*News from the Clubhouse by Marty Clegg, Secy/Treas*

The monthly meeting of the Falls City Mustang Club was called to order by President Steve Merritt on 15 March 2017. Steve welcomed everyone to the meeting. Sec/Treasurer Marty Clegg gave an update of the club finances along with a copy of the treasurer's report to everyone present. Tim Livingston, Road Boss, talked about the June pony trail, the various stops during the day and that he was working on the actual route to be driven. Steve spoke about the recent and final Carl Casper car show where a few FCMC members won a trophy. Regarding upcoming club outings, the annual Mustang birthday bash will be held at Jim O'Neal Ford on April 15. Several members volunteered to make cupcakes for the event. Kamos Glover is organizing a drive to Owensboro to dine at Moonlite BBQ on April 29. On the subject of donations, a discussion took place again this month about creating a \$500 scholarship program, funded by the FCMC. Two organizations being considered are Prosser Vocational and the Greater Clark County Technical School. It was noted that the third quarter donation was to the Nichols Elementary School to help purchase a quick recall buzzer system for the Academic Team. Steve initiated a discussion about moving the cruise-in location to another area. It appears our current site is somewhat stagnant in terms of attracting more cars. One possible location discussed is the Sellersburg McDonald's restaurant and keeping the 3rd Friday timeframe. Most members favored that site, so some members will be checking into this. Brenda Clegg reminded everyone of the club apparel order form that was sent to all members and the 20 April cutoff. Tim Livingston reminded everyone of the Frankfort Pony Car Roundup on April 22 and Brandon Grant of the Derby City Mustang Club birthday bash on April 23. Dining prior to the April meeting will be at Chick-fil-A on State Street in New Albany. Being no further business the meeting was adjourned.

Immediately following the regular meeting, the Board of Directors met to discuss several items. Marty passed out the updated judged classes for the June show. Steve showed a couple samples for the June show trophies and asked for input from the board members. Steve will have Padgett fabricate the June show and the birthday bash trophies. Brandon volunteered to work on the trophy finish prior to having the labels attached. Brandon and Bonnie asked Brenda about modifying the FCMC website to be 'mobile friendly'. Brenda said she would do that the following day. Bonnie suggested having a drawing for a gas card or other item for all members working at the June show. Steve reminded all of the need for judges to help at the Hubers FOP Cops for Kids car show on June 10 as well as our own June 17 car show.
