## Vol. 22 Issue #10

# Hoofbeats . . . . .

*News from the Clubhouse by Marty Clegg, Secy/Treas*

The monthly meeting of the Falls City Mustang Club was called to order by President Steve Merritt on 20 September 2017; Steve greeted everyone present. Marty Clegg, Sec/Treasurer gave an update of the club finances along with a copy of the treasurer's report to everyone present. Brenda Clegg, Membership Chairperson, announced two new memberships, Gene Carey of Scottsburg who owns a 2000 GT convertible and Nick Smith of Borden who owns a 1995 GT coupe. Brenda also introduced a relatively new member, Michael (Micky) Riley of Louisville who owns a 1971 Convertible. Frank Hayden, MCA Regional Director, spoke about the history of the first several MCA Grand National Shows, initially in Stone Mountain, GA. Therese' Hayden, Wellness Committee, gave an update of several members under the weather. Steve spoke about several upcoming car shows including the Owensboro Mustang Roundup, Trinity United Methodist show, We Care Scott County, Borden Valley Days, New Washington Hot Rods for Hoops, Derby City Mustang Club Fordfest and the Irish Buckets car show. Details of these shows and others can be found on the club website calendar. A couple club outings mentioned were the Kyana Car Club breakfast and toy collection on October 21 and the annual chili cookoff hosted by Paul and Jenny Frisbee on November 11. Steve and a few other members spoke about recent shows attended to include the Somerset Summernites Cruise, the Sportsdrome Speedway Dream Factory car show, the Howard Steamboat Museum show and Kamos Glover told about his experiences at the MCA Grand National Show at Kansas City. Steve spoke about the recent Sunday drive and wine tasting outing attended by a number of FCMC members. Marty updated the status of FCMC donations to be made soon for the first quarter of this budget year, \$250 to We Care and \$250 to Pets for Vets. Brenda soon will be working on Christmas Party invitations to mail out to all members. Steve let everyone know the club has finalized purchase of a new sound system that uses four speakers (much smaller than the old ones); it was used for the first time at the September cruise-in. Speaking of cruise-in's, the FCMC and Backyard Classics will jointly host a cruise-in at McDonalds on September 29 and the last cruise-in of the year, October 20 will be a Trunk or Treat for the kids. Dining prior to the October meeting will be at Tumbleweeds on State Street in New Albany. Being no further business, the meeting was adjourned.

# 2017 MCA Grand National Show Kansas City

We had great weather every day up until Sunday. On Sunday rain had moved in but everyone was going to be inside anyway for the closing and awards. Things started off on Thursday evening August 24th with Weld Racing Wheel hosting a BBQ and plant tours at their facility in Kansas City. I didn't attend any of the show sponsored events until Sunday morning's brunch. It was the best attended MCA National of the year. I understand that of the no show cars most were from Texas. I guess with hurricane Harvey making landfall had a little to do with that. Most closing ceremonies are somewhat dry to sit thru, but this one was different for me. It started with the Overland Park police departments' presentation of colors. Then Ayden Ethridge a 16 yr old heart transplant recipient and his mother were introduced. He has a unique tie to his 65 Mustang which I'm sure will be covered in the next tissue of Mustang Times. Then Children's Mercy Hospital was presented with donations from Mustang Club of Greater Kansas City, MCA and Shelby America. This was the hospital that helped Ayden. Then Mark Schuler, Ford Mustang Marketing Manager gave a very informative presentation on the 2018 Mustang. After 4 attempts with my black 2014 GT, I finally broke thru to take a Gold award!!.....Kamos

Me with a BIG SMILE!

1970 Boss 429 from Greenwood, IN.

"Jenny" Ayden's car, named after his heart donor.

# 2017 Rockin' on the River Car Show

Sept. 2nd Tim and Sam went to the Rockin on the River Car Show in Madison IN. They won the "Best Mustang" award.

Tim & Sam

Sam with the "Best Mustang" Award.

# 2017 Lawrence County Cancer Show

Sept. 9th Tim & Sam, and Ed went to the Lawrence County Cancer Show in Bedford, IN.

# 2017 Club Cookout at Steve and Nancy's

Sept. 9th Steve and Nancy hosted their annual Club cookout. Lots of delicious food, good friends and tons of fun.

Yum, yum look what's cooking!

A rare sighting!

# 2017 Sportsdrome Speedway Benefit Car Show

Sept. 10th FCMC went to the Sportsdrome Speedway benefit car show. We had beautiful weather and great music, just a nice day to kick back and enjoy the last few days of summer.

Some kids just won't grow up.

# 2017 FCMC September Cruise In

Friday, Sept. 15 FCMC held their monthly cruise-in at McDonald's in Sellersburg. Beautiful weather brought out lots and lots of cars.

# 2017 Howard Steamboat Car Show

Saturday, Sept. 16 FCMC went to the 1st Annual Howard Steamboat Museum Car Show in Jeffersonville. Again we had great weather. Scott won a dinner and cruise for 2 aboard the Belle of Louisville. Probably 75-80 cars not bad for their first show.

# 2017 Sunday Pony Trail

Sunday, Sept. 17 FCMC took a Pony Trail driving thru the back roads of Kentucky. Our first stop was at Our Best Restaurant for lunch, I might say this is a great place to eat service and food was very good, well worth the trip. Traveling on we stopped at Smith-Berry Winery in New Castle KY for some wine tasting and relaxation, this winery is well worth the trip, very friendly people and the wine wasn't so bad either. Our last stop was at The Little Kentucky River Winery in Bedford KY where we did another wine tasting it was good but not as good as Smith-Berry.

# 2017 We Care Car Show

Sept. 24th FCMC went to the We Care Car Show in downtown Scottsburg, beautiful weather and cars together with lots of good friends made for an awesome day
