2020 Sunday Afternoon Pony Trail

Garry and Pam hosted a Pony Trail on March 15, the weather was a bit chilly and a light drizzle but that didn't stop us from taking a very scenic drive thru southern Indiana answering questions along the way. We started with donuts at the clubhouse where Garry and Pam live from there we traveled west towards Santa Claus In, we had lunch at the St Nick's restaurant at Santa's Lodge and answers to the quiz were given and prizes handed out. After we all ate most of us went to Lincoln State Park, where we were able to see where Pres. Lincoln grew up. This is a very interesting place, if you have not been there you should take a road trip there and see it.
