News from the Clubhouse by Marty Clegg, Secy/Treas

The 14 August 2023 meeting of the Falls City Mustang Club was called to order by President Steve Merritt at the New Albany American Legion. Steve welcomed everyone to the meeting that was being held two days earlier than usual due to planned travel by a number of club members. Marty Clegg, Sec/Treasurer, reported on the club finances along with distributing a copy of the treasurer's report to everyone. Marty also reported that a donation of \$1200 had been sent to the Honor Flight Bluegrass. That amount will fund two veterans for a trip to Washington, DC to visit their respective war memorials. Scott McGloshen handed out copies of his and Chris Moorman's monthly edition of 'Mustang News and Stuff'. This monthly edition showed the Mustang is sold in 111 countries around the world. Factoring in population, 72 % of all people in the world can buy a Mustang. Also the Mustang has been honored with a US postage stamp twice, in 1999 and 2013. Kamos Glover, Road Boss, gave out travel info for the annual trek to Somerset on August 25. Kamos also announced that Kevin and Susie Liebert were an award winner at their first MCA judged show recently in Indianapolis. In other news the August Cars and Coffee had a good showing at the Charlestown Creamery and Coffee. Chris Moorman reported on the recent NSRA gathering at the Kentucky Fairgrounds. Steve spoke about a group of FCMC members going to the Dearborn Woodward Dream Cruise this coming weekend. The Hoosier Mustang Club will host their annual All Ford Fall Festival car show on September 23 and the Derby City Mustang Club hosts their annual Fordfest on October 14 at Bill Collins Ford. On August 27 a car show at the Charlestown Square will be held to benefit a local fellow injured on the job. The FCMC members voted to donate half of the first quarter donation to help this individual. The other half will be donated to the Happy Home Furniture Bank to help local families get furniture they need. Steve has been in contact with Oak Street Health regarding the FCMC being involved in a cruise in at the Youngstown Shopping Center in Jeffersonville. The October 20 outing will be a trunk or treat event. Mason Broughton is working on a Thanksgiving food giveaway that the FCMC could possibly be involved in. In regard to club officer positions, Steve made it official that Kevin Liebert will hold the Website Development position, something he has been doing for quite some time. Steve also recommended and members approved that Kamos Glover be the sole MCA Regional Director rather than it being a shared position. Dining prior to the September meeting will be at Marks Feed Store on Charlestown Road. On the monthly drawings, a free oil change at Jim O'Neal Ford was won by Phil Steinmetz and the cash drawing, which by the way was up to \$75, was won by Glenn Reis who graciously donated the entire amount back to the club. Being no further business the meeting was adjourned.

Race To Indy MCA National Show

Wow what a hot weekend in Danville IN for a MCA National Show, temps in the lower 90's with extremely high humidity. The Mustang Club of Indianapolis hosted the Race To Indy MCA show on July 27-30th at the Hendricks County Fairgrounds in Danville.

Thursday the 27th was track day at Putnam Park Road Course. Several members went to participate and watch. Brandon was the only brave one to get his Shelby out there and race against some pretty fast cars; he got up to 140 on the track. After the morning sessions were over they allowed non racers to take parade laps on the course. But going 90 is hardly a parade lap, just saying, but it was fun. Some members braved the heat and went to the Indiana State Fair for the afternoon.

Friday we went to check in at the show and stayed most of the day there. At the end of the day we went to The Coachman's for dinner before retiring to our hotels.

Saturday was the main show with over 400 Mustangs. After the show some left to go home stopping in Seymour for dinner at Applebee's, Kamos stayed in Danville and went to Dallara Indycar Factory for dinner.

Sunday was awards day. Kamos was the only one from the club who stayed for this event.

Even McDonald's has a Mustang

Kevin's first MCA show, he was really hyped up about it.

And he's off

2023 Woodward Dream Cruise

FCMC cruised to Troy Michigan for the Woodward Dream Cruise. Some members traveled up on Wednesday August 16th so they could go to the Henry Ford Museum and Greenfield Village on Thursday and Friday. If you have never been to the museum and village would highly recommend doing so, it was amazing. Saturday August 19th was the cruise in downtown Ferndale, now that was an experience, Mustangs were everywhere. They had the new 2024 Mustangs and also the Dark Horse on display. If you haven't been to this cruise, you are missing out.

Somernites Cruise-in Weekend

August 25-27th was Mustang Alley weekend at the Somernites Cruise-in in Somerset, KY. Kamos led 12 Mustangs down on Friday, going the back roads all the way thru some beautiful country scenery. We made a stop at the Kentucky Cooperage in Lebanon KY for a quick lesson on barrel making. Then we stopped in Liberty KY for a buffet lunch at the Bread of Life restaurant. Saturday we lined up at the gates at 7:10am waiting to get into Mustang Alley, the gates finally opened at 11am. The weather this year was extremely hot and humid. Saturday night we sat by Hwy 27 and watched the cars, trucks and motorcycles racing up and down the road. It got pretty wild on the road with the lack of police monitoring the activity.

Such a wonderful site

Batman was there

We are in Mustang Alley!!
