News from the Clubhouse by Marty Clegg, Secy/Treas

The 15 November 2023 meeting of the Falls City Mustang Club was called to order by President Steve Merritt at the New Albany American Legion. Steve welcomed everyone to the meeting. Marty Clegg, Sec/Treasurer, reported on the club finances along with distributing a copy of the treasurer's report to everyone. Scott McGloshen handed out the monthly edition of 'Mustang News and Stuff'. Scott noted that the FCMC was among 44 MCA regional clubs awarded the President's Award. Brenda Clegg, Membership Chairperson, did not have any new memberships to report but did hand out contact info for former member Pat Gibson and asked members to send her a card. Kamos Glover, MCA Regional Director, reported on his recent attendance at the MCA Regional Directors meeting in Charlotte, NC. Kamos also gave out additional info for the 60th Mustang Anniversary show in early April and spoke about the memorial service for Steve Hall who was instrumental in founding the Mustang Owners Museum. In regard to the wellness of club members, Terry Sloan recently underwent shoulder surgery. Kevin Liebert reported on the recent trunk or treat cruise-in hosted by Oak Street Health at the Youngstown shopping center in Jeffersonville. Kevin also reported on the Gateway Classics trunk or treat gathering and the Wooded Glen car show on the same day. Steve mentioned several upcoming club outings to include the Jeffersonville Light Up parade on Saturday November 25. Interested members will meet at the Hardee's restaurant on Court Ave and depart there at 4:30pm to get in line for the 6pm parade. December 9 is the annual FCMC Christmas party; everyone should have received an invitation by now. The winter bowling outings for the FCMC will be January 6 and February 10 at Blackiston Lanes starting at 3pm. A number of members volunteered to shop for the Angel Tree and Senior Tree this holiday season. The FCMC has set aside \$1500 for the charity. A couple of meeting date changes to mention are the January meeting will be held January 10, one week early. Also the February meeting has a possible date change as well; info will be forthcoming. As always there is no December meeting. Dining prior to the January 10 meeting will be at El Nopal on Grant Line Road. No one was fortunate enough to have their lucky number drawn for the monthly cash drawing so the rollover will be for \$75 at the January meeting. Being no further business the meeting was adjourned.

2023 Gateway Classics Trunk or Treat

FCCM was the featured car club at the Gateway Classics trunk or treat on Oct 28 2023. We had 7 cars braving the cold and rainy day. We didn't decorate the cars because of the rain but instead went into the show room where the kiddos came in and got their treats. Thanks to Bill, Brandon, Frank, Kevin & Susie, Marty & Brenda, Mason and Scott for bringing your Mustangs out in the rain for such a good cause.

Receiving the award.

MUSTANG NEWS and STUFF

BY: Chris Moorman & Scott McGloshen

Ford Performance will debut a new Mustang next season in the NASCAR Cup Series, the manufacturer announced Wednesday.

The 2024 car will be the Mustang Dark Horse, part of the family of mustangs built by Ford. The car will make its Cup debut in the Feb. 4 Clash at the Los Angeles Memorial Coliseum.

With the seventh-generation Mustang, the Mustang brand will be eligible to race on six continents in various racing series, beginning in 2024. In the coming months, Mustang Dark Horse racing variants will be eligible to compete in GT3 and GT4 classes globally and the Dark Horse R will compete in the Mustang Challenge Series and grassroots events.

CONGRATULATION TO Fall City Mustang Club

MUSTANG TIMES: November Issue

The Mustang Club of America has presented 44 President's Awards to MCA regional clubs that have met the criteria for recognition.

Falls City Mustang Club

Supercharged S650 5.0

The Mustang's naturally aspirated 5.0-liter V-8 is good for 480 horses off the showroom floor. That figure rises to at least 800 horses with the Whipple 3.0-liter supercharger, which also comes with obligatory upgrades to the air and fuel systems. Ford says the kit is compatible with the automatic and manual transmission, and the company says a version that's specially designed for the Mustang Dark Horse is also on the way.

The supercharger kit is compliant with CARB regulations, and it comes with a three-year, 36,000-mile warranty from Ford Performance. The Mustang kit will be available next year, but a price hasn't been released.
