News from the Clubhouse by Marty Clegg, Secy/Treas

The 10 January 2024 meeting of the Falls City Mustang Club was called to order by President Steve Merritt at the New Albany American Legion. Steve welcomed everyone to the first meeting of the new year. Marty Clegg, Sec/Treasurer, reported on the club finances along with distributing a copy of the treasurer's report to everyone. Scott McGloshen handed out the monthly edition of 'Mustang News and Stuff' which highlighted the 2024 Ford Mustang GT California Special and the 2025 Ford Mustang GTD along with an always wise quote from Henry Ford. Brenda Clegg, Membership Chairperson, announced one new membership, Randall Lusk of Henryville, Indiana who owns a 2004 Mustang Anniversary Edition. Steve spoke about several Mustang related events for 2024 to include the Ponies in the Smokies in March and the Somerset Somernites cruise in August. Kevin Liebert spoke about the Woodward Dream cruise in August at Dearborn, Michigan. Additional info will be provided as the timeframe gets closer. A few past outings to mention were the Jeffersonville Christmas parade where 7 club cars participated. The annual FCMC Christmas party was December 9th and attended by a large number of members. Games were put on by Chris and Lisa Moorman. One of the games, a skill test, Scott McGloshen, much to his dismay, was beaten by a girl. More recently was the January bowling outing where 16 club bowlers competed for the coveted FCMC bowling trophy. Once the dust settled, or should I say once all the pins were down, Steve Merritt was the night's high series bowler. The turkey trophy was passed around frequently among several bowlers. The February bowling outing will be February 10 at Blackiston Lanes. Please note that the February meeting will be held on Wednesday, February 7. Gateway Classics has been in contact with Steve about the FCMC again being the feature club for their October trunk or treat event. In regard to the third quarter donations, Marty suggested two charities that have indicated they are in need of donations. Members agreed to divide the \$500 quarterly donation between Blessing in a Backpack Metro Louisville and the Scott County Humane Society. Steve has been in touch with Chris O'Neal and confirmed the annual June car show for June 15 and the Mustang birthday bash for April 13, both at Jim O'Neal Ford. Well again no one was fortunate to have their lucky number drawn for the monthly cash drawing so the rollover amount for the February 7 meeting will be \$100. Dining prior to the February meeting will be at Derby City Pizza off State Street in New Albany. Being no further business, the meeting was adjourned.

Ford celebrates a 60th birthday with the 2024 Mustang GT California Special.

You can order the 2024 Ford Mustang GT Premium California Special with a 6-speed manual transmission or a 10-speed automatic. The package is available for both Mustang GT Premium coupes and convertibles. If the California Special vibe resonates with you, the styling package is a \$1,995 option.

60 YEARS OF MUSTANG
APRIL 17TH, 2024

The 2025 Ford Mustang GTD just debuted as a limited-run, road-legal version of the GT3 race car. Plus, it comes with technology like an adaptive suspension and active aerodynamics that are banned under the competition regulations. It will go on sale in late 2024 or early 2025 at a starting price of around \$300,000. The company will accept buyers only by application in a process similar to the sales method for the Ford GT.
