<i>Mustang News &amp; Stuff</i> .....	6

The 10 July meeting of the Falls City Mustang Club was called to order by Executive VP Brandon Grant in the absence of President Steve Merritt. Marty Clegg, Sec/Treasurer, reported on the club finances along with distributing a copy of the treasurer’s report and June car show financial report to everyone. Scott McGloshen handed out the latest edition of ‘Mustang News and Stuff’ which included a couple of Mustang recalls, Mustang fun facts and a now popular quote from of Carroll Shelby. Kamos Glover, MCA Regional Director, reported on recent MCA class changes along with the latest MCA member figures. Also MCA dues will increase in January 2025. Brenda Clegg, Membership Chairperson, announced two new memberships, Joe Vowels of Clarksville who owns a 2008 GT/CS and Kevin and Della Kessans of New Albany who own a 2020 Shelby GT500. Kevin Liebert reported on two recent car show attended by FCMC members. Backyard Classics held their annual car show on the Charlestown Square that 11 club cars attended. Queen City Mustangers hosted their annual show in West Chester, Ohio where 9 club cars attended. Several club cars also attended a cruise-in at the Corydon Popcorn Festival and a show in Jasper. Brandon spoke about several upcoming car show and club outings to include the Honor Flight show at Mike Linnings on July 13, a show at the Kentucky Horse Park the same day, the Indy Mustang Club’s annual show on July 20, the Woodward Dream Cruise in August, Hoosier Mustang Club and Music City Mustang Club car shows both on September 21. Marty and Brenda will host their annual breakfast at the Clegg house followed by a poker run on September 14. In regard to donations, Marty spoke about rounding up the amount taken in at the June show food booth to \$1200 to pay for two veterans to make the Honor Flight trip. The next meeting is August 21. Dining prior to the August meeting will be at the New Albanian Restaurant in New Albany at 5:30pm. No one was fortunate enough to have their lucky number drawn for the monthly cash drawing so it rolls over to the August 21 meeting. Finally to conclude the last meeting of this fiscal year, the annual officer elections were held. Two nominations were received for the office of President, Steve Merritt and Kevin Liebert. A secret paper ballot was completed by all members present with Kevin receiving the most votes. With no nominations being made for Executive VP and Sec/Treasurer, those positions remain the same along with all appointed positions. Being no further business the meeting was adjourned.

# 2024 Popcorn Festival Car Show

Bill & Janet, Joe, Kevin & Susie went to the Popcorn Festival Car Show in Corydon IN on July 6th.

# 2024 Honor Flight Car Show

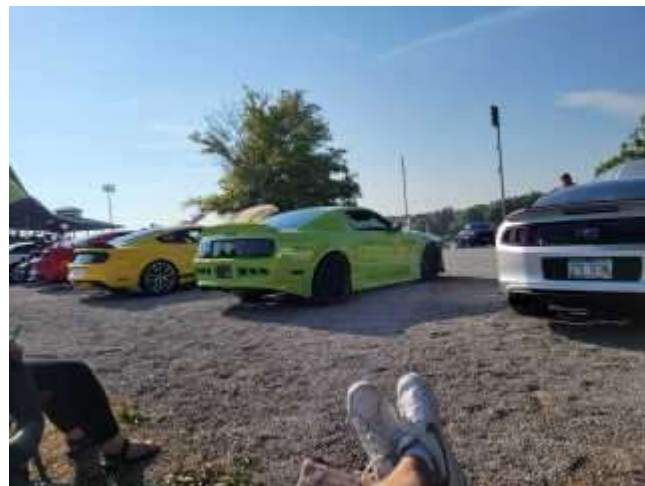

On a nice warm July 13th Chris, Kamos, Kevin & Susie and Scott went to the Honor Flight Car Show at Mike Linning's in Louisville KY.

Kamos, Chris, Susie and Kevin chilling in the shade.

# 2024 Ford Mustang 60th Anniversary Car Show

A beautiful setting for the Ford Mustang 60th Car Show at the Lexington Horse Park in Lexington KY. Enjoying the show were Frank, Jeff, John, Kenny and Norm.

# 2024 Mustang Club of Indianapolis Mustang And All Ford Show

FCCMC traveled to Indianapolis for the Mustang Club of Indianapolis Mustang And All Ford Show on Saturday July 20th. We had four Mustangs representing the club. Great weather although it was hot. Along with the show there was a county fair going on. Everybody brought home an award. We stopped on the way home in Seymour to have dinner at Freddy's Steakburger and Custard.

**Bill hard at work, he deserved the trophy he got!**

**The guys just had to have their picture with the Brickyard 400 Princess.**

## Ford Recalls Mustang Because 'Steering Wheel May Turn Unintentionally'

Ford has just issued another recall. This one involves 30,735 Mustangs from 2022 and 2023 that could have steering issues. Thus far, Ford isn't aware of any accidents or injuries resulting from the problem.

The recall notice doesn't specify between EcoBoost or GT trims, so it appears to be an all-encompassing issue regardless of trim. According to the recall, a secondary digital torque sensor may have been calibrated with an inverted polarity. That's technical speak for saying the steering gear was improperly calibrated. And since this era Mustang uses electronic steering, a failing sensor could cause the steering wheel to oscillate back and forth when the driver tries to turn.

The fix, fortunately, is straightforward. Ford dealers will plug in a software update for the Mustang's Power Steering Control Module. Individual owner notification will begin on August 5, but dealer notification is already underway. Mustang owners with questions or concerns can reach out to a dealer or call Ford at 866-436-7332.

## Ford Recalls Mustang Over Fire Risk From Leaking Clutch Fluid

Ford is recalling the 2024 Mustang after discovering the clutch pressure line could melt, leaking fluid that could prevent manual-equipped models from shifting gears. A total of 8,161 affected vehicles might have a missing or improperly installed barrel nut that attaches the line to the firewall stud.

If the line comes into contact with hot exhaust components, it could melt, leaking the brake fluid used in the clutch system. If this accumulates under the hood near a heat source, the fluid could smoke or start a fire, according to the recall report. Drivers might experience difficulty shifting gears, and the engine could stall on throttle tip-out, which could increase the risk of a crash.

## Mustang Fun Facts:

The "350" in GT 350 stands for the amount of steps it took to walk from the Ford production shop to the racing shop.

The 1975 Mustang II holds the record for the lowest horsepower in a Mustang at only 87 hp.

"These cars are meant to be driven, so enjoy the hell out of all of it - not just look at it when it's clean."

Carroll Shelby
